

Can I get a solar loan in Curacao?

As you can see the more electricity usage you have, the faster you will earn back your one time investment. Many banks already offer so-called "green loans", financing the purchase of your solar system on Curacao for a monthly installment that may be even lower than the monthly price you pay for electricity now.

How much does electricity cost on Curacao?

On Curacao, the costs per Kwh calculated in 2012 is ANG 0,73. If you are a home owner, commercial property owner or owner of an industrial building on Curacao, please have a look at your electricity bills and calculate the average amount of Kwh you use and the money you spend on electricity per year.

Where can the Ecoplant be found in Curacao?

The Ecoplant is a fully solitary power plant that can be placed in Curacao anywhere you like, such as the beach, parking lot, or even in your garden. The Windwokkel(TM) delivers enough energy for an average household in Curacao. It can easily be installed on your flat roof top or on any pole with a height between two to four meters.
