

Who is ekt (eikto) lithium battery?

We Power Your Business ! |EKT (EIKTO) Lithium battery is world's largest manufacture of Lithium Battery for Material Handling Equipment. We are the official supplier of top OEMs,also,is a pioneer to bring a cost-effective Lithium battery solution for global market. Our product ranges from 24V,36V,48V,72V until 80V.

What is eikto lithium battery management system?

EIKTO lithium batteries are equipped with an intelligent battery management systemthat monitors the battery status in real-time,such as voltage,current,and temperature and takes action in abnormal situations,such as disconnecting the circuit or issuing an alarm to protect the battery and equipment.

What makes eikto a good battery?

The EIKTO MS series uses a unique blend of lithium ions,making it the most compact,durable,and powerful battery on the market. EIKTO has been committed to improving energy efficiency and the environment for years. Our self-developed battery cell and the patented structure gave us a competitive advantage over other battery manufacturers.

Why should you choose eikto lithium batteries?

Lithium batteries offer the following safety benefitsto provide customers with reliable energy solutions: EIKTO lithium batteries have built-in protection circuits to prevent unsafe conditions such as overcharge,over-discharge and overheating. These protection mechanisms ensure the safe performance of the battery during everyday use and charging.

Why should you choose eikto?

EIKTO's mission is to provide battery solutions in a cost-effective manner,thereby enabling our customers to increase their productivity and reduce the overall cost of operating a forklift. EKT is the only traction lithium-ion battery industry supplier that provides end-to-end solutions,from cells to modules to complete systems.

Where is eikto located?

We contribute to global low-carbon emissions,and to promote the development of the clean energy. No. 998,Baocheng Road,Eikto Industrial Park. Economic &Technology Development Zone,Xuancheng,City,Anhui Province. China. EIKTO&#169; All Rights Reserved.

EIKTO lithium battery improves the distribution business of the material handling equipment, including forklift, cleaning machine, aerial platform, golf cart, etc Compared with traditional lead ...

With 45% market share in national new energy forklift sector, Eikto solidified its position as the industry"s No.1 Battery manufacturer. Different operational profiles and forklift types require different solutions.

Flex Series 76.8V300Ah All-in-one Battery PACK for Forklift Energy Storage Lithium Iron Phosphate Battery PACK. MAX Series. Lithium-ion forklift battery - 153.6V280Ah Lithium battery system for industrial vehicles ... No. 998, Baocheng Road, Eikto Industrial Park.
