In Australia, dairy cow feeding systems depend on a lot of factors including climatic conditions and the location of the farm. There are five dairy farm feeding systems in Australia: low bail grazing, mod-high bail grazing, partial mixed ration, hybrid rations and total mixed ration. Pasture.io helps dairy farmers make their feeding decisions by providing them ...

About SYSTEMS Even though our company was founded as recently as 2022, as a collective, we have 12 years of experience in the sector. Our co-founder, Martin Štrica, has been working in the development of energy projects since 2010.

Na pomezí systémů na soušti a ostrovních systémů stojí tento variant fotovoltaického elektrického, jedná se o tzv. hybridní systém. Oceňují ji zejména majitel domu, který chce mít oba systémy a využívat jejich výkon; hodí se například. Hybridní systém představuje elektrickou, která funguje jako ostrovních - není zapojena do soušti a energii akumuluje do baterie nebo ji ...
