

Where is CNPC Jichai Power Company Limited located?

CNPC Jichai power company limited (CNPC JCPC) is located in the economic development zone of the Jinan city, Shandong province. The company was founded in 1920 and is the only internal combustion engine manufacturing enterprise belonging to CNPC .

Are Jichai products certified?

Jichai products have been certified by the Russian Marine Classification Society and China Classification Society. CNPC Jichai power company limited (CNPC JCPC) is located in the economic development zone of the Jinan city, Shandong province. The company was founded in 1920 and is the only internal combustion engine-JICHAI POWERCOMPANY LIMITED

Who makes Jichai engine?

The company was founded in 1920 and is the only internal combustion engine manufacturing enterprise belonging to CNPC. In 1965, Jichai successfully developed 12V190 high power diesel engine, which filled in gaps of national oil drilling power. In 1988, Jichai produced the first high power gas engine of China.

What does Jichai do?

Jichai receives and processes service information 7*24 hours, responds quickly to customers' technical service requirements, and successfully solved.
