Look no further than our China-based manufacturing factory. As a leading supplier, we offer top-quality machines built to last. Choose us for all your welding needs! ... Energy Storage Spot & Projection Welding Machine ADR-30000 ...

Activities: At J& P we take charge of your job from A to Z. Starting with raw material supplying, laser cutting, bending, rolling, welding, electroplating, powder coating, UV printing to end it up ...

Find Stainless Steel Suppliers. Get latest factory price for Stainless Steel. Request quotations and connect with Lebanese manufacturers and B2B suppliers of Stainless Steel. Page - 1

Activities: Mecano Group sells welding equipment & materials including: welding machines & spare parts, plasma cutting machines, welding electrodes, solid wires, flux cored wires, ...

Jaw plates, stone crusher, high manganese, high chrome parts, steel billets, 3sp, 5sp, st37, casting, stainless steel, cement plants like mill liners, diaphragm plates, feed end liners, lifter liners, lifter liner jam plates, lateral liners, slotted plates for cement mills. Casting methods, like sand casting, investment casting, centrifugal casting

The Stored Energy welding power supply - commonly called a Capacitive Discharge Welder or CD Welder - extracts energy from the power line over a period of time and stores it in welding capacitors. Thus, the effective weld energy is independent of line voltage fluctuations. This stored energy is rapidly discharged through a pulse transformer producing a ...

Short Description: ADR-500 Capacitor Discharge Energy Storage Spot Projection Welding Machine The principle of the ADR-500 capacitive energy storage type spot welding machine is to charge and store a group of high-capacity capacitors through a small transformer in advance, and then discharge and weld the welding parts through a high-power welding resistance transformer.

Established since 1957, OMAR FAHEL & CO is one of the main importers steel wires, building materials and hardwares in lebanese market. We are Sole Agents, Importers/Exporters ...

We offer Mig, Tig, Spot, and Stick welding for steel, stainless steel, aluminium and other materials and our welding is coded in all disciplines. Grinding/ Polishing/ Finishing Department: Our finishing department can take ...
