

What is the warranty period for a StarPlus 12V 220ah battery?

Warranty period is 12 monthsStarplus 12v 220ah tubular batteries are specially designed to be used with home and industrial inverters where traditionally flooded tubular batteries are typically used. Most inverters have chargers with high-ripple content that cause the shedding of active materials in the battery plate.

Are StarPlus batteries eco-friendly?

Starplus batteries are eco-friendlyand are capable of being completely recycled,thereby minimizing wastage,and living up to their responsibility towards the environment. We use the quality material with advanced technology to give the best to all our customers.

What is a tubular inverter battery?

Tubular inverter batteries are also the best for applications that require high power. A tubular inverter battery is made to last very long. It has a longer duration of service when compared to a flat plate and gel batteries. They are also more durable and give the longest warranty period to customers.

What is a long lasting tubular battery?

A long lasting tubular battery is a lead-acid battery designed to have a longer lifespan than regular lead-acid batteries. These batteries are commonly in use in applications where it requires a reliable and long-lasting power source,e.g.,backup power systems,solar power systems,and inverter systems.

How long does a tubular inverter battery last?

Starplus offers a long-lasting inverter tubular battery. Our tubular inverter batteries come in different capacities ranging from 130AH to 240AH. These inverter batteries not only last long but are incredibly powerful too. Warranty period is 12 months

What is a tubular battery?

A tubular battery is a lead-acid batterydesigned to have a long life and provides robust performance. Low-maintenance tubular batteries require regular maintenance to ensure their longevity and efficiency. The battery requires minimal care to provide excellent services over an extended period.

Choosing the Right Tubular Inverter Battery: Now, if you are ready to buy a tubular inverter battery, there are a few factors you should consider. Brand and Quality: Opt for reputable brands known for manufacturing high-quality tubular batteries. Star Plus Batteries are the first made-in-Nigeria inverter batteries known for their unmatched quality.

Choosing the Right Tubular Inverter Battery: Now, if you are ready to buy a tubular inverter battery, there are a few factors you should consider. Brand and Quality: Opt for reputable brands known for manufacturing ...

STAR PLUS BATTERY - LIGHTING UP NIGERIA"S FUTURE. The tubular inverter batteries feature a

high backup solution, low maintenance needs, ... Star Plus Tubular Inverter Batteries: Special Features and Qualities. Model No. Box Type: Ah Capacity: Length: Width: Height: Total Warranty: SP22000 XB: IT500: 220: 505: 190: 410:

Starplus 12v 220ah tubular batteries are specially designed to be used with home and industrial inverters where traditionally flooded tubular batteries are typically used. Most inverters have chargers with high-ripple content that cause the shedding of active materials in the battery plate. As a result, tubular batteries are preferred over flat ...

Star Plus 220Ah 12V Tubular Battery Highlights: Batteries designed for deep cycle inverter application. Excellent charge acceptance; Long life-high pressure casting machine used for positive plate; Long shelf-life no fresh charge ...

Secure Your UPS System with High-Capacity Tubular Batteries. by Sabirir Adhira | Nov 18, 2024 | Tubular Inverter Battery. In our increasingly connected digital world, a consistent power supply is necessary to sustain ...

Thicker tubular plates - aimed at making the performance better. Gives 1200 cycles @80% depth of discharge (one cycle is one full charge followed by one full discharge Weight

Our tubular batteries are known for their deep discharging rate. On average, Star Plus tubular batteries only lose 12% to 15% of charge in a month when not in use. Apart from that, we offer a 24-month warranty on all of our batteries. So, if you want to buy a reliable inverter battery, Star Plus tubular inverter batteries can be a perfect ...

If you are searching for an inverter with a battery, Star Plus Battery is your one and only choice. Our 220ah Tubular Batteries can provide seamless power backup. Read about 6 ways 220ah Tubular Battery can provide best power backup. 6 Ways 220Ah Tubular Battery Can Provide Best Power Backup. Withstands Deep Discharges and Frequent Cycles

STAR PLUS SOLAR TALL TUBULAR BATTERY SP22000 12V 220AH. Model Number: SP22000 12V 220AH (0 customer review) Advanced spines - for better performance on heavy loads and better current flow Thicker spines - thicker spines aid in maintaining structural design and more stable resistance against corrosion failure.

Star Plus tubular inverter batteries have an average service life of 7 to 8 years. This extended lifespan ensures that tubular batteries require less frequent replacements, resulting in cost savings over the long run. Low ...

Ah tubular battery from Star Plus is a great choice for Nigerian households as it provides the power you need in times you need it the most. Conclusion. A long-lasting power backup is something every Nigerian household needs. And when it comes to providing reliable power to light up your appliances, no one does it

better than Star Plus ...

Lagos State o Ikeja. No 2 Olawaiye street off akinremi Anifowoshi Ikeja lagos Nigeria. Closed now o Mon - Sat, 08:00-16:00.

Don't leave it up to the grid! Store your own power with StarPlus Tubular inverter batteries. StarPlus batteries are suitable for use both at home and busine...

We often think of batteries and inverter systems and tend to forget the maintenance of the charger. You must use a quality, compatible charger for your Star Plus Battery to charge and discharge properly. Therefore when you purchase the inverter with a battery, you must also purchase the recommended charger for the battery.

Star Plus Batteries has developed manufacturing processes that reduce the cost of production and increase efficiency, making these batteries more affordable for consumers. Additionally, the rising demand for renewable ...

Metal Manufacturing Nigeria Limited set off it's journey with led production back in 2010. After a Decade, MMNL has ventured into production of Star Plus Tubular Battery. Star Plus is a Truly Designed & Made in Nigeria Product providing thousands of employment opportunities (direct & indirect); thereby contributing to the nation's economy.

A Star Plus tall tubular inverter battery, for example, has a 220 ampere-hours (Ah) rating, enabling it to store more energy and provide a longer power backup.

AH 12V Starplus Tall Tubular Inverter Battery | India Battery with 2yeas Warranty Star plus power battery is one of the is the top and best brands in tall tubular inverter battery manufacturer company in Nigeria. Star plus power is committed to manufacturing top notch performance batteries with more reliability and less maintenance that fits in a small space. Star ...

Secure Your UPS System with High-Capacity Tubular Batteries. by Sabirir Adhira | Nov 18, 2024 | Tubular Inverter Battery. In our increasingly connected digital world, a consistent power supply is necessary to sustain critical applications and daily lifestyles. However, Nigeria's ongoing power supply crisis threatens household, commercial, and ...

1 · We at Star Plus Battery, can maximise energy efficiency and offer uninterrupted power supply at the same time. Following are the key features of our inverter batteries that heavily ...

****STAR PLUS** offers long-lasting inverter tubular battery. **STAR PLUS** tubular inverter battery come in different capacities ranging from 130AH to 240AH. These inverter batteries not only last long but are incredibly powerful too. The warranty ranges from 36 (18+18) months to 60 (36+24) months.** ****STAR**

PLUS Inverter batteries are specially designed to be used with home and ...

ah/12V Tubular Battery quantity. Add to Cart Order via Whatsapp. Add to Wishlist. Compare. Share. Facebook Twitter. Description; Reviews (0) Description. STARPLUS 220ah/12V Tubular Battery. Reviews There are no ...

Star Plus tubular inverter batteries have an average service life of 7 to 8 years. This extended lifespan ensures that tubular batteries require less frequent replacements, resulting in cost savings over the long run. Low Maintenance rate: Tubular inverter batteries are designed to be low maintenance, which is particularly advantageous in busy ...

"Star Plus" Tall Tubular Battery is a brand under Metal Manufacturing Nigeria Limited (MMNL), the best tubular inverter battery manufacturing company in Nigeria. Star Plus Tubular Batteries 220ah 12V has 400 watts load backup that are worth the price. To be honest, Star Plus tubular battery store more electric power than other tubular battery ...

Starplus offers long-lasting inverter tubular batteries. Starplus tubular inverter batteries come in different capacities ranging from 130AH to 240AH. These inverter batteries not only last long but are incredibly powerful too. The warranty ranges from 36 (18+18) months to 60 (36+24) months.

Star Plus Batteries - The best place to buy solar batteries is in Nigeria. The number one place to buy batteries in Nigeria is with us. ... Starplus Batteries is a brand of MMNL, the best Nigerian manufacturer and supplier of automotive and tubular batteries. We are an ISO 9001:2015 certified company located in Gbara Village, Ogun State, since ...

Tubular batteries have earned their reputation as the most efficient and popular inverter battery option for a reason. Their ability to withstand a wide range of temperatures makes them ideal for various climates. Tall ...

Safe Disposal of Old Batteries. Tubular batteries contain hazardous materials and require proper disposal. Do not dispose of them with regular household waste. Several battery manufacturers and recycling facilities offer programs for safe and responsible disposal of used tubular batteries. Research these options in your area. A Sustainable Future

Battery business is estimated to be 720,000 units of Lead Acid Tall Tubular batteries per year. Demand for the products in the tubular storage battery sector is growing at 20% CAGR per year. MMNL owned STAR PLUS Brand is "Number 1 Brand" in the Tubular Battery Storage with a first company ever having its manufacturing plant in Nigeria.

A tubular inverter battery is a lead-acid battery as well. However, it is much bigger when compared to a flat plate inverter battery. Tubular batteries are the best type of inverter batteries in Nigeria. This is indisputable, as they can be used in ...

Choosing the right tubular battery is essential for ensuring uninterrupted power supply in various applications, from backup power for homes and offices to powering critical equipment in industries. Tubular batteries are ...
