

Will Masdar invest \$2 billion in Africa by 2030?

Masdar, one of the world's fastest growing clean energy companies and the largest in Africa, has committed to deploying US\$2 billion of equity by 2030 in Africa as part of the UAE-led Africa Green Investment finance Initiative, which was announced during the Africa Climate Summit by HE Dr Sultan Al Jaber, Chairman of Masdar and COP28 President.

What will Masdar do in Africa?

Under the agreements, Masdar plans to develop renewable energy projects totaling 2GW in Angola, 1GW in Uganda, and collaborate on solar, wind, and hydroelectric projects amounting to 2GW in Zambia.

Which African countries are partnering with Masdar?

In January, Masdar signed agreements with three African countries to develop renewable energy projects with a combined capacity of up to 5 gigawatts. The Abu Dhabi-based company will develop renewable projects in Angola, Uganda and Zambia with a capacity of 2 gigawatts, each in Angola and Zambia, and 1 gigawatt in Uganda.

Does Masdar City really exist?

Those things exist, but not nearly to the extent or in the timeframe once imagined. Masdar City has been a pet project of Sultan al-Jaber, the head of the UAE's national oil company and the president of the ongoing COP28 climate conference in nearby Dubai, who has sought to cast himself as a promoter of renewable energy transition.

What does Masdar's 10GW growth plan mean for the UAE?

Abu Dhabi Future Energy Company PJSC - Masdar advances 10GW growth plan across six Sub-Saharan nations, marking accelerated expansion for the UAE's clean energy leader, in support of the clean energy transition across the continent.

Is Masdar City a sustainable city?

Now 17 years and billions of dollars in the making, Masdar City next to Abu Dhabi's airport was first envisioned as a sustainable city of tomorrow with features like no cars, subway "pods" to ferry commuters, and solar-powered buildings rising from the desert sands. Those things exist, but not nearly to the extent or in the timeframe once imagined.
