

How did Midsummer wholesale cope with demand?

Andy Rankin, managing director at Midsummer Wholesale, said the company had invested to increase its online presence in the last year, improving its online ordering system. Three additional sales staff have also been hired to cope with demand. "Winter months are usually quieter for PV sales but orders have been flooding in," he said.

Why did Midsummer wholesale's solar sales increase so much?

Cambridge-based solar distributor Midsummer Wholesale has said its sales have nearly doubled after it moved to bolster its product range and online presence. And the distributor attributed a considerable portion of this uptick to its newly-introduced Solfit in-roof solar mounting system.

Does Midsummer provide supply & design support?

Midsummer provides supply and design support through its software Easy PV. Easy PV was developed to help solar installers with project design, optimisation of solar energy set-up and one-step full kit purchase.

Is Midsummer a good company?

We use Midsummer for 99% of our installations. They have an excellent selection of quality, reasonably priced products and the integration with Easy PV makes it super easy to order/edit/pay for your kit. Our account manager Vanessa is friendly, helpful, approachable and usually replies to queries within the hour.

Are GivEnergy batteries available at midsummer?

Exclusively at Midsummer, we're offering a whopping £300 off GivEnergy 2.6kWh batteries ordered while stocks last! That's it, no strings attached. Shop smart with GivEnergy's market-leading battery, backed by a 12-year warranty or 10MWh of throughput per 1kWh of stored capacity, whichever comes first. But hurry!

Midsummer, a wholesale distributor of renewable energy systems, has partnered with InstaGroup to enable it to launch its first fully connected solar PV system, InstaGen. Alongside panels, battery storage and inverters, InstaGen provides a user-friendly app. Consumers can use the technology to control their InstaGen system and energy usage.

Cambridge-based solar distributor Midsummer Wholesale has said its sales have nearly doubled after it moved to bolster its product range and online presence.
