Try looking at the monitor arms from Loop Alloy as they have monitor arms that are designed for dual monitor setup. North Bayou is also a good option but can be hard to find locally sometimes. Also should I opt for dual arm or single pole? For dual monitor setups on a smaller desk, there is not much space to move both monitors around.

If you're looking for advice, information, or inspiration on building your own PC in the Philippines, this is it! r/PHbuildapc is a community dedicated to custom PC assembly specifically in the Philippines.
