

What types of solar solutions do you offer in Ko Samui?

We specialise in all types of solar solutions for private residences, and commercial buildings. Our 1st job in Ko Samui for a 10 kW hybrid system. We all know that solar energy is a clean, inexpensive energy solution. Here in Thailand the electric costs are high per unit, and due to the heat and humidity the bills in summer can be high.

Who is the number one solar installer in Hua Hin?

We are the number one solar installer in Hua Hin with over 700 installations. Our Solar Engineer has a BSC in Electrical Engineering, and MSC in Renewable Energy, and more than 15 years experience in the solar industry with experience on large and small scale installations all over the world.

Is solar a good investment in Thailand?

We all know that solar energy is a clean, inexpensive energy solution. Here in Thailand the electric costs are high per unit, and due to the heat and humidity the bills in summer can be high. But what most people are not aware of, is that solar is also a good investment there, even though there are no subsidies or buy back schemes.
