Introduction to the Necrons. The Necrons, an ancient race of skeletal warriors made from living metal, have a complex and storied history that spans back to the earliest days of the galaxy.. Originally known as the Necrontyr, they lived short, bitter lives on a radiation-scarred world, leading them to covet the immortality of the Old Ones, a far more ancient and powerful ...

The Necrons are a race of mechanical warriors, created from the Necrontyr.They have lain dormant in their stasis-tombs for sixty million years. They are ancient beyond reckoning, pre-dating even the Eldar.At long last, however, they are beginning to awaken, seeking to reestablish the supremacy of the Necron Dynasties over the Galaxy once more. The domain of ...

Necron tech therefore has very narrow energy levels and are possibly what physicists reffer to as "quantised" which means restricted and is a fundamental idea in quantum mechanics. With the space age tech that necrons have, being able to manipulate quantum phenomena to work as a shield or to allow their weapons to bypass enemy shielding is ...

Gauss Weapons are a form of exotic directed energy weapon used exclusively by the ancient and extremely powerful xenos species called the Necrons. These weapons destroy the enemy by firing a green-tinged blast of lightning-like energy that shears apart the target's atomic bonds, literally stripping their bodies apart atom by atom and molecule by molecule. The Imperium of ...

Of course it is used to represent the flow of energy from the power source to the things it powers and the shifting patterns of energy within said power source. What else would it be? Since those patterns are actually a reflection of the Necron's thoughts, visible changes to core-flux patterns are the Necron equivalent of facial expressions.
