Felicity is a product to count on. The solar world has rapidly globally become a necessity especially in the continent of Africa and Nigeria being a major example of a world needing power to thrive. Electricity is fast leaving the hydropower world into Solar. However, solar being a direct source of power to be consumed is neither safe nor is it something to handle unprofessionally. ...

Explore Felicity Solar's innovative range of solar inverters, tailored for various energy needs. Our collection includes solar power inverters, solar inverter batteries, and cutting-edge solar edge inverters. Ideal for both residential and commercial setups, our solar hybrid inverters and off-grid solar inverters are designed for optimal efficiency and reliability.

The Felicity 7.5kva pure sine wave inverter series powers from AC power and DC source, serving as an extended run UPS. When AC cable is connected to a wall socket, utility power goes to connected equipment and/or charges the battery set via charging system.

Felicity Solar leads in renewable energy with advanced solar panels, solar street lights, and car charger adapters. Our products, including durable solar cell batteries, are ...

Hi, yes I bought them also. You need to set the jumpers correctly, it's 10000 if you have only one battery. Then after selecting Lithium in the battery settings, you need to adjust the lithium mode to 12 on the next page in the battery settings.
