We are happy to announce the successful #financialclosure for our 120 MW Solar Project in Sadla, Gujarat under GUVNL 18. CPA, CMA Sanjeev Bhatia Bhatia, CFO, emphasised the importance of this achievement, stating, "Securing the financial closure for our 120 MW Solar Project in Sadla, Gujarat is an important step for BluPine Energy which was made possible by ...

"This is honestly kind of a no-brainer." I signed up for US Solar about a year ago and it has been a

wonderful experience. I typically save about \$30-\$60 per month on my electric bills, and currently, Xcel Energy owes me over \$200 in credits for the power that my portion of the solar garden has added to the grid.

to 2100, the United States of America (excluding its global territories) will have recorded a total of 182 solar eclipses, 21 of which are annular eclipses, 26 of which are total eclipses, and one of which is a hybrid eclipse. The most recent total solar eclipse in the United States was on April 8, 2024; the most recent annular solar eclipse was on October 14, 2023; ...
