Renovo Energy is a turnkey solar contractor who provides a comprehensive solution for development, construction, financing, infrastructure, and operation for commercial and industrial applications.

The quality solar panels that Renova provides deliver up to a 30-year product and production warranty. Many times, other manufacturers boast a 25-year power warranty but only offer a 10-year or 12-year product warranty. These warranties may also require homeowners to pay for shipping or crew expenses to repair the module if there"s a problem.
