

Is Skyfri energy on LinkedIn?

We are thrilled to announce that Skyfri Energy is now on LinkedIn! Specializing in O&M services for ground-mounted, rooftop, and floating solar power plants, Skyfri Energy is committed to enhancing solar plant efficiency and extending operational lifetimes through advanced predictive maintenance technologies.

What makes Skyfri a good company?

Awarded to companies showing strong potential for sustainable growth and market value, based on a solid business plan and thorough evaluation by Innovation Norway. Skyfri continues to develop systems for management and data analysis of solar parks, the development of a digital twin, and AI-powered local management.

Is Skyfri a cleantech company?

It is ambitious, but Skyfri is all about being ambitious. Skyfri means clear blue sky in Norwegian, a metaphor that anything is and will be possible. We have been mentioned as one of the cleantech companies to watch in 2022, as one of the leading companies in Norway, and joined SolarPower Europe as a member last year.

Who is Skyfri assisting in decarbonizing aluminium production in Germany?

Skyfri is assisting Hydro Rein in decarbonizing aluminium production in Germany. We're proud to announce this significant milestone for Hydro, Hydro Rein and Skyfri. We are delivering EMS and SCADA systems that help integrate and manage renewable energy solutions on-site.
