Solar Rating and... Solar Rating and Certification Corporation (ICC-SRCC) Fri, 16 February 2018; Baerbel Epp. B#228;rbel Epp is Founder and Director of the German communication and market ...

Inspections Inspections of factory production facilities and quality management systems is a key part of most product certification programs accredited to ISO/IEC 17065. While laboratory testing provides information on specific product samples at one point in time, it does not address the performance of products manufactured in the future. Inspections assess the quality systems ...
