Many states have implemented Solar Energy Rebate programs, to help offset the up front costs of a System. In California, the combined Federal and State programs will often cover 50% of your installation cost. That is a HUGE DISCOUNT! If you purchase a system costing \$60,000, your State Rebate would be around \$12,000. Your Federal Tax Credit would be 30%, or \$18,000.
