

Does SMA sell the Sunny Tripower storage 60?

SMA will no longer sell the Sunny Tripower Storage 60. The integrated commercial storage solution SMA Commercial Storage Solution is the successor to the SMA Storage Business. All technical information on the operation of the Sunny Tripower Storage 60 is still available under the Downloadstab on this page. [Sunny Tripower Storage 60 Downloads](#) [Contact](#)

What is Sunny Tripower storage 60?

The Sunny Tripower Storage 60 allows efficient integration of storage systems into future-proof energy concepts with or without a PV system. Supply peak loads with a storage system and thus reduce demand charges. The Multi-Use function makes it possible to use the optional peak load shaving and increased self-consumption simultaneously.

What makes Sunny Tripower 60 so unique?

It is precisely this systemized approach that makes the Sunny Tripower 60 so unique and guarantees a high level of performance along with maximum flexibility in system planning and design. No other inverter weighing only 75 kg with an output of 60 kW offers this.
