

Who is Tricon Energy?

About Tricon: Tricon Energy is an industry leader in the global commodity trade and distribution market. In its 25+ years in business, Tricon has grown to become one of the largest privately held companies in Houston, TX, and recognized as the 3rd largest chemical distributor in the world by ICIS.

Is Morocco dependent on Western Sahara for its energy supply?

But these developments have made Morocco partly dependent on Western Sahara for its energy supply. Morocco already gets 18% of its installed wind capacity and 15% of its solar from the occupied territory, and by 2030 that could increase to almost half of its wind and up to a third of its solar.

Is the Sahara based on economic resources?

The idea of the economic viability of the SADR being based on its economic resources is also found in Shelley (2004) and echoed by MINURSO and UN Special Envoy to the Sahara, James Baker. Kingsbury (2015) establishes that Western Sahara is illegally and militarily occupied by Morocco.

Is natural resource exploitation a problem in Western Sahara?

As the issue of natural resource exploitation in Western Sahara has been conceptualised in very different ways and from the perspectives of a variety of disciplines, the authors have opted for a semi-systematic review of the work done encompassing academic, non-academic, and activist backgrounds.

What role did natural resources play in the Western Sahara conflict?

The majority of research undertaken from a historical perspective on the role of natural resources in the Western Sahara conflict focuses on phosphates. Both Laluthe (1976) and Camprubí (2015) see the potential exploitation of phosphates as the key factor in motivating Morocco to invade Western Sahara.

Is Western Sahara an interdisciplinary field?

"Western Sahara, Resources, and International Accountability." Global Change, Peace and Security 27 (3): 285-299. The production of research on natural resource exploitation in Western Sahara is accelerating. Yet this field remains interdisciplinary, and the work is carried out by researchers from academic, no...
