

Who is enericap power industries?

Enericap Power Industries LLC, incorporated in Dubai, UAE, is a wholly owned subsidiary which is the licensee distributing encapsulated capacitor-based stationery energy storage including Enpack (utility scale), Encap (backup and telecom), Enwall (residential) and Ensega (RV, boating, consumer).

What is enericap encapsulated-capacitor based energy storage?

Enericap Holdings has invented electrostatic,encapsulated-capacitor based energy storage,as an alternative to chemical storage. Enericap's electrostatic storage delivers magnitudes better performance than chemical batteries,across all applications from AA rechargeable cells to MWh grid storage and long-range,fast-charging EV storage.

What is the partnership between enericap power industries & Burj energy?

This partnership signifies a major step towards achieving Pakistan's Environmental Development Goals(EDGs) through advancements in clean energy and electric vehicle adoption. The signing ceremony featured Mr. Waseem Ashraf Qureshi (CEO,Enericap Power Industries LLC),Mr. Yousaf Dewan (Chairman,Dewan Motors),and Mr. Saad Zaman (CEO,Burj Energy).

What does Bilal do at enericap holdings?

Bilal is the Chief Marketing Officerfor Enericap Holdings and is responsible for the sales,marketing and commercialization of the group in fulfilling its vision to becoming a marker leader in the energy storage,power electronics and energy management industries.

What is enericap America's energy storage system?

Enericap America's energy storage solutions deliver savings and reliability to all customers. Enwallis a 10-kWh residential energy storage system that uses supercapacitors to store energy. Supercapacitors have a number of advantages over traditional batteries,including faster charging and discharging times,longer lifespans,and higher safety.

How has enericap improved production capacity?

By teaming up with finance experts such as Burj Capital for fund raising and capital restructuring,Enericap has been able increase production capacity,further enabling the group to successfully deploy its technology in North and South America,Europe,the Middle East,Africa and South Asia.

Enericap manufactures and globally distributes utility scale, backup, residential, telecom, microgrid, RV, boating and consumer applications solutions. Enericap's mobility storage ...

By Ryan Elcock In an era defined by groundbreaking innovation, revolution, trendsetting, pioneering, trailblazing, and remarkable progress, the Caribbean region stands at the threshold of a transformative shift in

its economic landscape. At the forefront of this transformation is Trinidad & Tobago, a nation uniquely positioned to emerge as the manufacturing and supply chain hub ...
