

When did Wellington become a city?

The settlement was named in 1840 in recognition of the aid given the company by Arthur Wellesley, 1st duke of Wellington. It was made a borough in 1842 and a city in 1886. In 1865 the seat of the central government was transferred there from Auckland. The city is part of the Wellington local government region.

What does Wellington do?

Wellington engages with other global cities to foster links and cooperation that benefit our city and communities economic, cultural, social and environmental wellbeing. We're responsible for helping Wellington prepare for, respond to and recover from emergencies and disasters.
