Why should you choose Silo Warehouse (Pty) Ltd?

At Silo Warehouse (Pty) Ltd you can be assured of outstanding customer service, top quality products and equipment, qualified personnel and after sales service which is unbeatable in this part of the world.

Why should you buy a silo?

Why buy a silo? The biggest advantage of having your own silo is that you can sell your grain on your terms. A silo gives you the option to ride out the downs in the market, and sell when the price is right for you, without paying the rates that the cooperatives charge you for storage and unloading.

What makes a silo complex a global achievement?

Our own installation teams well equipped with hydraulic lifts complete every step of the way. A silo complex of any size would be a global achievement with top quality components from North and South America, Germany, Denmark, South Africa, Turkey, China and Japan as well as contributions from the country of installation.
